

## **LABELLING OF STEEL SHEETS' BUNDLES**

Both Sidastico's levelling lines are equipped with a fully automated labelling machine, connected to the production/orders database.

Each bundle is identified with one adhesive sticker, placed on one corner of the bundle, bearing the following standard information:

- Sidastico name and logo
- Client's details
- Delivery address
- Steel grade
- Heat
- Charge
- Norm of the material
- Type of inspection certificate of the producer (EN10204-3.1 or 2.2 etc)
- Dimensions of the steel sheets
- Numer of the sheets which constitute the bundle
- Weight of the bundle
- ID number of the bundle
- Number of Sidastico's order confirmation related to the bundle
- Client's purchase order related to the bundles

All info listed above can be customized on Client's demand. Please make sure that your request of customisation of the sticker is clearly marked in your purchase order to Sidastico and for any special need related to the marking/identification of the bundles, please get in touch with your Sidastico Sales Manager.
